5. Expulsion from the institution and consequent debaring from admission to any other institution for a specified period. Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

Under the pretext of 'welcoming' new students to the college, ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets to satiate their own pleasures. The students of Sreekrishnapuram V T Bhattathiripad College are here by warned that they shall not indulge in "RAGGING". If they are found guilty of ragging, they are liable for the above mentioned punishment.

The freshers / junior students are also hereby instructed that they should not respond to the calls from seniors, should not participate in any kind of party anywhere inside/outside the campus, even if ordered by the seniors and that, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

Sreekrishnapuram V T Bhattathiripad campus is ragging free, still all these measures have been taken to ensure that the freshers are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors in the name of an obsolete, barbaric ritual. All of this was possible only because of the whole-hearted support from students and teachers.

REPORT OF WOMEN'S CELL 2021-22

The Indian Higher Education Institute is expanding at various levels. As academic discourse inculcates diversity across various streams, so does the demographic engagement at the campus. Embodying the spirit of Indian constitution in having gender equality across the campus the need to have a platform for women to share their concern is a mandate.

Universities are not merely 'workplaces' where faculty and nonteaching staff are employed but are spaces where students come to learn and be trained for their professional careers, and to realise their full potential as individuals. The need to create a safe haven, where there is no space for gender disparity is the need of hour.

Activities

College women cell organised a health awareness programme for students for the year 2021-2022 on 10/03/2022. Topic for the awareness programme was FEMININE HYGIENE. The resource person for the programme was Dr. Dhanya S P, Medical officer, FHC sreekrishnapuram.

Counselling is arranged by the college for girl students in three major areas i.e., Counselling related to academics, career and behavioural patterns. The teacher counsels the student through phone on issues like personal, psychological, emotional problems and difficulties. It helps them to deal with stressful or emotional feelings and to inculcate the positivity in them.
