MANNAPATTA, PALAKKAD**

INSTITUTIONAL DISTINCTIVENESS:

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust.

The mission of the college is to provide value education based on Indian culture and heritage to students and whole community. The college is named after the great social reformer V.T Bhattathirippad who takes efforts to bring women to the forefront of the society. Following his idea seminars and awareness classes about gender equality are regularly conducted in the college. This year with the help of N.S.S units in the college, the college was able to build a road to the house of a girl patient. For increasing academic performance scholarships for girl students have instituted .Also the college gave support to girl students to participate in cultural activities both inside and outside the college. As a result girl students are securing ranks in university examinations and at the same time perform well in cultural activities also. These efforts also lead to increase in girl student enrollment ratio in the college.
