## Introduction

As per the UGC notification on "Regulations on Curbing the Menace of Ragging 2009, The institute had constituted an Anti-Ragging Cell. The main objectives the cell is listed below:

1. To curb the menace of ragging and to take action on incidents reported under ragging.
2. To organize program to sensitize students and prevent the menace of ragging.

The institute guarantees zero tolerance to ragging and ragging related incidents. The anti-ragging cell has setup an anti-ragging mechanism in the college. The names and phone numbers of the members of the Anti-ragging Cell are displayed prominently on hoardings installed at important spots in the college which facilitates students to approach staff members. The college conducts anti-ragging workshops and seminars. The college has a counselling facility for early identification and prevention of Ragging incidents. One of the specialities of the college is that the local community as well as students are aware of the ill effects of ragging and hence ragging related issues are almost non-existent in the campus. The college has grievance cell and students can approach the cell in the case of ragging. All teachers and non-teaching staff are sensitized towards the ragging incidents and are trained to counter the situations of ragging. The local community Anti Ragging cell, students and every other cells in the college work hand in hand to prevent any incidence of ragging in the college.

## Brief Report of the Activity for the year 2020-21

The ARC conducted an online meeting on 12.11.2020 to discuss the year plan for the academic year. It is decided to conduct an awareness class by a legal officer for the students as and when the college opens after the pandemic. It is also decided to conduct any online programme for the students regarding the rules and regulations related to ragging menace.

But, unfortunately, the whole year was affected by the COVID-19 pandemic so no major programmes could be conducted during the academic year.
