Preface

Sreekrishnapuram V T B College values feedback as an opportunity for growth and development. The college has regularly taken inputs from the students and all stakeholders. Through these feedbacks the college was able to identify areas of improvement. This feedback is communicated to the university through our faculty members who are members of Board of studies and Academic Council. The university has considered this feedback seriously and had proposed amendments and rectification of syllabus thus making the teaching learning process as efficient as possible without putting unnecessary strain on students. These communications helped in the implementation of Outcome Based Education in all subjects after the year 2020. There are faculty representations in various committees related to the implementation of Four Year UG Program (FYUGP). The faculty members suggested the insights obtained from the feedbacks taken from the stakeholders during FYUGP interactions. This provided a positive impact on the formulation of syllabus for these newly introduced four-year UG programs.

The following document briefs the efforts taken by faculty and management for obtaining sanction for new courses and actions taken by the University of Calicut on syllabus amendments/rectifications as per the feedback.

- Introduction of new program M.Sc. Mathematics with Data Science
- Main highlight of the document is the consent to introduce OBE concepts in various courses
- Apart from this, new program on research methodology was also introduced via revisions.
- Topics which were irrelevant in the current scenario were also removed from the syllabus during these revisions.

Introduction of new Course

In tune with the feedback obtained, the constant effort from the side of management and through the efforts of faculty, government accorded sanction to start new course in M.Sc. Mathematics with Data Science. The PG program was introduced in the academic year 2021-22.

Rectification of Syllabus through faculty intervention

Involvement of our faculty in the curriculum committee of the university facilitates speedy redressal of queries related to the syllabus. By Intervention of **Dr. Saritha Namboodiri, HoD Dept of Computer Science of V T B College and BoS member, Computer Science, University of Calicut**, changes were implemented in the syllabus of M.Sc. computer Science by the university.

A Minor Modification in the MSc Computer Science Curriculum - Regarding

Abbas T P <drtppabbas@gmail.com>
to aijish, lajish, manjulaka, binumo13, Asha, Radhakrishnan, KABEER, sunilsunny, Ilyas, me, gaiv

Respected Members of BoS in CS (PG),

As suggested by Hon. Member of BoS Dr. Saritha Namboodiri, the Software Engineering Course of III Sem and Compiler Course of the II Sem have been interchanged to balance the difficulty level of Semesters.

This change is incorporated in the MSc Curriculum attached with this mail.

Members of the BoS and the University GAIV J Section please ignore the M.Sc curriculum attached with the previous mail that I had forwarded on 10 June 2019.

(GAIV J Section please do remember to delete the previous version of the file and put up the MSc CS curriculum attached with this mail for further necessary action)

The inconveniences caused, if any, is regretted.

Thanking you.

Sincerely,
Abbas T P
