A Placement Cell is a vital unit within an educational institution or organization that facilitates and coordinates the recruitment process for students or employees, connecting them with potential employers.

Objectives:

1. To provide employment opportunities to students/employees.
2. To bridge the gap between academia and industry.
3. To enhance the institution's reputation through successful placements.
4. To foster relationships with potential employers.
5. To provide training and development programs for students/employees.

Functions:

1. Career Counseling: Guiding students/employees on career choices and job search strategies.
2. Employer Relations: Building and maintaining relationships with potential employers.
3. Job Posting: Advertising job openings to students/employees.
4. Resume Building: Assisting students/employees in creating effective resumes.
5. Interview Preparation: Conducting mock interviews and providing feedback.
6. Placement Drives: Organizing on-campus and off-campus recruitment drives.
7. Training and Development: Offering workshops, seminars, and training programs.
8. Alumni Network: Maintaining connections with alumni for mentorship and job opportunities.

Placement Cell of Sreekrishnapuram V T Bhattathiripad College serves as a platform for students to engage with industry professionals, develop their skills, and secure placements that align with their career goals. Through a series of training programs, workshops the Placement Cell strives to enhance the employability of students across all disciplines.
