

DIVYAGJAN POLICY

Sreekrishnapuram V. T. Bhattathiripad College strives to ensure equal access to education and various services for all individuals, irrespective of any discriminatory factors. We are dedicated to offering an inclusive learning environment that eliminates any barriers, making it accessible for all students, including those with disabilities.

The college ensures that the infrastructure and facilities are equitable for all individuals, without any inconsistencies or disparities, and takes special measures to accommodate those who are differently abled.

The college adheres strictly to 'the Rights of Persons with Disabilities Act of 2016, which prohibits all forms of discrimination against individuals with physical and mental disabilities. This policy aims to ensure that all individuals with disabilities are aware of their rights, scholarship opportunities, and facilities provided by the legislation. The policy acknowledges that disabled staff and students are a fundamental component of the institution.

The measures taken are as follows:

- The admission process for specially challenged students adheres to the guidelines set by the University of Calicut.
- The Divyangjan cell has been designated with the responsibility of guaranteeing the accessibility and equal opportunities for individuals with special abilities, including students, teachers, and non-teaching staff of the institution.
- The scribe facility for examinations is provided to individuals who are visually impaired as well as those with motor disabilities.
- Wheelchair facilities will be provided upon request.
- Faculty members offer individualized attention and scaffolding to students in order to support their academic endeavours.
- The college assesses the educational requirements of disabled students, determines the appropriate assistive devices, and arranges for their procurement.
- The college commemorates significant occasions pertaining to disabilities, including the International Day of Persons with Disabilities.
- The college is prioritizing the fulfilment of their requirements and actively engaging in project work that is directly pertinent to those requirements.
- The college has implemented a policy to ensure inclusivity for Divyangjans on campus and has initiated a renovation program that incorporates the construction of ramp facilities.
